Re: Smash Mouth / Sziget Festival Budapest Hungary

Dear Randy,

As discussed, Smash Mouth will not be able to perform at the Sziget Festival in Budapest Hungary as previously planned due to internal band member personal reasons. The bands Keyboardists wife is pregnant and has been having complications with her pregnancy. She is due around the time of the show in Budapest and the band is not comfortable being out of the country at that time in case there are issues. I hope you can understand the bands position and we hope to be able to perform at this festival and others in Europe next year.

Best Regards,
